We would love to take this time just to say thank you. it is amazing to us how people from aLL around the world has pulled together to try and be a blessing to so many people in need. we can't sit here and feel sorry for ourselves and our lost's because so many people have heartaches and lost's right now. my Husband mother and Father Lost their whole house. sitting in the middle of the Road. at McLauin St. Bay St. Louis my Husband Brother lost everything in his apt. came out with just a small Bag of stuff. live in Waveland on central Ave. my mother lives in Pascagoula Ms got 5ft water in part of her house and 6ft in part of her house. lost all her furn, and all household stuff, clothes. My Dad lived in an apt in Pascagoula his apt was very badly damaged. he came out with small bag of Personal stuff. lost everything he had.

One of my biggest lost's was I had a chinesse Pug, and when we left for The Hurrican we went to Ellisville then on to ILL. when we found out what The damage was. my Dog was getting very sick. it was very hard trauling and finding motel's that would let us have a dog. I have to find someone that could give her a good home and take good care of her. I cried for about 3-4 days. I missed her so much. I had her about 4yrs. we now are in a trailer and I have a new small dog. still miss my other one. But were doing ok.
